

Michigan Society of Gastroenterology Nurses and Associates

February 2016 Pathfinder

Hello MSGNA Nurses and Associates!

I'm not too shy about saying I'm a little nervous about being at the helm of MSGNA as it is my first time to lead such an important organization. However, I have wonderfully supportive people on the Board and in my own work environment! I thought I'd mention one goal MSGNA has for 2016 is to qualify at the SGNA National conference in Seattle to be the Top Region. There are many things we already do but we need to work on some other areas.

One of the qualifiers we must improve on is the number of attendees at our conferences. MSGNA will have a great conference that will be held in Ann Arbor coming up in April. The committee has arranged for some interesting topics and speakers according to their brochure that has just come out on-line. It's a fantastic way to get CEs, as well as networking.

Another thing we can work on is increasing our membership. This is an easy process and, yes there is a fee for joining SGNA/MSGNA, but the benefits are tremendous! Besides networking and CEs, MSGNA membership gives one a voting voice on how our organization runs by electing the Board members who represent you. Our Board attends COMON, which is a Michigan government committee that gives Michigan nurses a voice. The stronger our membership is the bigger and better our voice is when it comes to establishing standards, policies and laws.

I personally want to thank our committee members who are making our spring conference a great event! I want to thank my fellow Board members for their support and guidance! And let's achieve our goal at SGNA.

Thank you,

Kathy Smith, BS, BSN, RN, CGRN
MSGNA President

Michigan Society of Gastroenterology Nurses and Associates

MSGNA 2016 Goals

1. Increase our membership by promoting SGNA/MSGNA.
2. Promote involvement/commitment to MSGNA offices.
3. Promote attendance at State and National Conferences.
 4. Continue to assist our members by:
 - a. Providing CEUs at conferences
 - b. Giving back to our members financially by reducing conference costs
5. Find one nursing-related issue for our membership to write to their congressman/legislator about.
6. Remain financially sound.

MSGNA Treasurer here! I'm sure you are all as ready for springtime as I.

Over this first year of my term, I have been surprised at how much money it actually takes to run this state organization. We receive a small rebate for each member but the only real income is made at the conferences and is variable with each conference. Your Board is committed to keeping costs to our members as low as possible. We are required to reserve funds to cover any expenses we have contracted for. I proposed the budget for 2016 at the November Board meeting as required by bylaws of MSGNA. The numbers were based on the previous year's budget, and actual income and expenses for 2015. Although it is my first attempt at creating this, I am hopeful that we remain close to the budgeted dollars and if so, will end the year with a profit. I will have the entire budget as well as the actual to date, with me at the Spring Conference. Members are free to review, ask questions and give suggestions! December's closing balances were; Checking, \$38,987.63 Savings, \$24,560.70. The tax information has been sent to SGNA as we file Federal through them. Enjoy the remainder of Winter, and I'll see you in Ann Arbor! Mary Pierce

MSGNA offers 6 scholarships for the opportunity to participate in the MSGNA Fall Conference. The conference is going to be held at the DoubleTreeby Hilton Bay City - Riverfront in Bay City September 23-25. The scholarship includes full payment of tuition and 50% payment of the 2 night accommodation. This is going to be a great conference at a beautiful resort with lots of learning and social networking. Applications should be sent in no later than 7/1/16 to

Pat Root MSGNA President Elect, 1309 Whitehaven Ct, Owosso, MI 48867

Recipients will be notified at least one month prior to the conference.

Hi!

I just want everyone to know that we welcome new people to run for the board of directors. This year's election will be for President, Treasurer, & Secretary. To show appreciation for the work the board members do, we give perks such as paid tuition to MSGNA conferences, half of the hotel room reimbursed for MSGNA conferences, reimbursed SGNA membership fees, possible reimbursement of some SGNA national conference expenses, along with friendships with other board members. So look for nomination forms at the Spring MSGNA conference or on the MSGNA website in April & May. You can nominate yourself or someone else by submitting them to me at my email or mail by June 1st. Acceptance of nominations are from June 1-July 1. Elections are online at the MSGNA website August 1 through the Fall MSGNA conference in September. We would love to have you join us!!!

Michigan Society of Gastroenterology Nurses and Associates

We would really appreciate everyone's help with boosting our percentages of members voting in the regional & national elections. Increasing our percentages can help us in applying for SGNA Outstanding Region Award. We have several qualifications for it so far, but we need to improve our voting. SGNA would award us with honors and money toward our region!

Thank you and I hope to hear from some of you!

[MSGNA Poster Presentation Financial Aid:](#)

The purpose of changing from a contest to financial assistance is to provide support of MSGNA members interested in presenting a poster at the SGNA national conference and subsequent MSGNA fall conference and to better align MSGNA with SGNA's process.

An abstract should be submitted to SGNA by their deadline (found on the SGNA website) sometime in the fall prior to the next May's SGNA national conference. Once SGNA accepts the abstract this notification should be submitted to MSGNA's current President-Elect for approval of up to \$1500.00 to be divided amongst all authors for expenses involved in presenting (example: supplies, tuition, transportation, housing, meals). Presenters must be willing to present at both the SGNA national conference AND the MSGNA fall conference. If multiple posters are accepted by SGNA it will be at the discretion of the MSGNA BOD as to how much financial assistance is to be offered.

Associates Program Scholarship

This is a quarterly scholarship and the deadlines for submission are March 1, June 1, September 1 and December 1.

SGNA Associates Program Scholarships have been established to financially assist SGNA associate/technician members and non members with purchasing the Associates Program. The Associates Program is an online education program that provides an associate/technician the opportunity to validate their skills by being recognized as a GI Technical Specialist (GTS). The Associates Program is not an official certification but does help enforce the associate/technician commitment to the GI/endoscopy profession. Scholarships covering the cost of the Associates Program will be awarded quarterly to those members and non members who meet the established criteria. The number of scholarships awarded will depend upon funds available.

Recertify Quickly and Easily

It may have been taken you five years to accumulate enough contact hours for recertification, but you can submit these hours for recertification quickly and easily. This year when you recertify, use ABCGN's online system at <https://www.abcgcn.org/secure/recertification>.

The online system replicates the paper forms that you have always used. You just type your information in the appropriate categories and hit submit. It is that easy. Online submissions will be audited at the same percentage as hard copy packets were, back-up materials will only need to be provided if you are notified of an audit.

Michigan Society of Gastroenterology Nurses and Associates

If you are set to expire at the end of 2015, you can submit at any point during the year. Certificates are issued on the 15th and 30th of the month. This date is noted on your certificate, meaning that you can start collecting contact hours towards your next recertification period on that date. What a great way to get a jump start on your next recertification and not lose “extra” contact hours.

Have questions about recertification or the exam; give ABCGN a call on their new toll free number: 1-855-252-2246 or 1-855-25-ABCGN.
