

Michigan Society of Gastroenterology Nurses and Associates

November 2016 Pathfinder

Dear MSGNA Members,

We've had a very busy 2016. It started with a wonderful spring conference at the V.A. in Ann Arbor.

Then we had the SGNA National conference in Seattle – what a great venue! While at the leadership portion of this conference we successfully re-chartered our MI Region/MSGNA! If you've never seen it, it's a pretty cool process to be a part of. It involved parading through the room as I held the MI region card along with all of the other regional representatives holding their cards. The Speaker of the House of Delegates called us up to the stage to receive our certificates. Equally enthralling is the House of Delegates voting process for approving or failing resolutions. Four resolutions were presented, discussed, amended, and voted on with Dr. Lester Cooper presiding to ensure Robert's Rules were followed – three passed and one failed.

Our Board of Directors had a phone conference in June to wrap up business from the spring conference, talk about the election for the next opening Board positions, and plan for the fall conference.

Regarding our elections I'd like to encourage all of you to consider running for office next year. Throw your hat in the ring and find out what a truly rewarding experience this is. To serve and make a difference is such an honor! The processes of the leadership are fascinating and actually fun – they do require some of one's precious time but not so much that it's not doable even for someone working full-time. It allows you to appreciate the behind-the-scenes goings on. The friendships are invaluable! Some of the perks aren't bad either.

Finally, there was multi-Regional and our awesome fall conference in Bay City. Our newly elected Board members were announced as a result of our electronic voting. This year had a better response than last year's voting but we've still got a long way to go considering how many voting members we have. We have a revamped website that is easy to navigate so get on there and check it out and PLEASE vote when it's time.

We will be just as busy for 2017! We will have our spring and fall conferences as usual. This year for the SGNA Annual Course we will be pursuing the title of Region of the year, which has some requirements we must meet in order to do this (having someone present a poster at the national level, and having a certain percentage of our members participate in voting are just a couple of examples).

I thank you for allowing me to be the President of the MSGNA organization – it truly is very humbling and a great honor!

Kathy Smith BS, BSN, RN, CGRN, MSGNA President

Michigan Society of Gastroenterology Nurses and Associates

Hi all! It's hard to believe we are coming to an end of 2016. We have had 2 very successful conference this year and our membership is fairly stable. As you can imagine, these are things that generate income for our group.

We are presently contracted for the Spring 2017 Conference and negotiating contracts for both Fall '17 and Spring '18. We are bound by our policies to maintain ready balance to cover these. There are also line item expenses throughout the year. At present, we have a checking balance of \$48,830.07 and savings of \$24,566.39.

We, of course, hope to have an increase in the balance each year, but with higher than expected expenses, we are likely not going to see that in 2016. The final numbers are not compiled as yet for our recent conference. I hope to have them ready within a few weeks. I will also present a proposed 2017 budget for vote at the November Board of Directors meeting.

Although unchallenged in the election, I appreciate being able to continue as your Treasurer for two more years. Please consider taking my place in 2019 as our bylaws limit us to two consecutive terms.

Respectfully,

Mary Pierce

MSGNA 2016 Goals

1. Increase our membership by promoting SGNA/MSGNA.
2. Promote involvement/commitment to MSGNA offices.
3. Promote attendance at State and National Conferences.
 4. Continue to assist our members by:
 - a. Providing CEUs at conferences
 - b. Giving back to our members financially by reducing conference costs
5. Find one nursing-related issue for our membership to write to their congressman/legislator about.
6. Remain financially sound.

From the President-Elect...I just want to remind everyone that the purpose of the MSGNA scholarship is to award MSGNA members an opportunity to participate in the fall MSGNA conference. A maximum of six scholarships will be awarded at the discretion of the BOD. This scholarship includes full payment of tuition and 50% payment of 2 night accommodations. This is not a need scholarship. It is a great learning experience. Only one person applied for the last fall conference. It was awarded to Debra Gabites of Grand Rapids. Congratulations Debra!!

Also, please consider doing an educational/clinical poster for the Annual SGNA course. Please go to the SGNA website for details. MSGNA also offers a monetary award if your poster is picked to attend the Annual course. Pat Root RN

I hope everyone is enjoying the beautiful fall colors in Michigan! Each year we elect a new president with a 3 year term as President Elect, then President, & then Past President. This year we also elected a Secretary & Treasurer for 2 year terms. Next year the board positions up for election will be Director of Policy & Procedure/COMON (state committee) and Director of Membership. I am pleased to announce the results of our latest MSGNA board positions. Elected for President Elect is Jenneva Kremke. The new Secretary will be Amy Krug and Mary Pierce was elected to treasurer. We hope some of you will run for our board next year!

In September, we were informed that Deb Schroeder is unable to continue in her position as Director of Policy & Procedure/COMON. We asked for volunteers and were rewarded with 3 MSGNA members who were willing to fill the remainder of her position. Thank you very much to those who volunteered to serve our MSGNA. The board discussed situation then voted to appoint Rebecca Blood to the position.

Jenneva Kremke RN

CONGRATULATIONS

KUDOS to Sandra Hansen-Belfit, Dianne Ouillette, Michelle Brown, and the entire planning committee members from the staff of G & H Associates of Mid-Michigan and GLB Surgical & Endoscopy Center. MSGNA 2016 Fall Conference, “Scoping It Out In The Great Lakes Bay Region”, was held in Bay City, MI, September 23-25, 2016.

There was a wonderful array of speakers, who provided lively insight on a diverse range of topics. They presented useful and interesting material that we could all take back to our work place. The vendors also provided lots of learning opportunities through the vendor exhibits, and the vendor programs that were offered on both Friday and Saturday evening.

MSGNA appreciates the hard work that the planning committee devoted to bringing this high quality educational course to all participants. Thank you for an **EXCELLENT** educational conference. You all did a superb job and deserve a standing ovation!

Again, on behalf of MSGNA Board and all the members, THANK YOU!

44th Annual Course

Join your gastroenterology colleagues in New Orleans, LA to jazz up your GI journey! The SGNA 44th Annual Course will be held at the New Orleans Morial Convention Center May 7-9 with pre-meeting events taking place May 5-6, 2017.

LOOKING FOR FALL 2018 CONFERENCE SITE!!

Believe it or not, we are looking for possible **MSGNA conference site for Fall 2018 and Spring 2019**. Consider bringing an MSGNA Conference to your city. Have confidence in yourself and your unit. Below are some of the perks for planning a conference:

- 9 committee members will receive paid SGNA/MSGNA Membership for the following year;
- Very rewarding;
- Lot's of networking with your co-workers/peers; and
- Access to MSGNA board for resource and support.

Contact Diane Thompson, MSGNA Program Chairperson at 810-240-9314, or email dathompson920@gmail.com

Reminder for members: Once you certify or recertify, you are eligible for a bonus from MSGNA. You need to submit a copy of your certificate to our MSGNA Treasurer and you will receive a \$100 bonus.

MSGNA Poster Presentation Financial Aid:

The purpose of changing from a contest to financial assistance is to provide support of MSGNA members interested in presenting a poster at the SGNA national conference and subsequent MSGNA fall conference and to better align MSGNA with SGNA's process.

An abstract should be submitted to SGNA by their deadline (found on the SGNA website) sometime in the fall prior to the next May's SGNA national conference. Once SGNA accepts the abstract this notification should be submitted to MSGNA's current President-Elect for approval of up to \$1500.00 to be divided amongst all authors for expenses involved in presenting (example: supplies, tuition, transportation, housing, meals). Presenters must be willing to present at both the SGNA national conference AND the MSGNA fall conference. If multiple

Michigan Society of Gastroenterology Nurses and Associates

posters are accepted by SGNA it will be at the discretion of the MSGNA BOD as to how much financial assistance is to be offered. Patricia Root, President Elect

Recertify Quickly and Easily

It may have been taken you five years to accumulate enough contact hours for recertification, but you can submit these hours for recertification quickly and easily. This year when you recertify, use ABCGN's online system at <https://www.abcgcn.org/secure/recertification>.

The online system replicates the paper forms that you have always used. You just type your information in the appropriate categories and hit submit. It is that easy. Online submissions will be audited at the same percentage as hard copy packets were, back-up materials will only need to be provided if you are notified of an audit.

If you are set to expire at the end of 2015, you can submit at any point during the year. Certificates are issued on the 15th and 30th of the month. This date is noted on your certificate, meaning that you can start collecting contact hours towards your next recertification period on that date. What a great way to get a jump start on your next recertification and not lose "extra" contact hours.

Michigan Society of Gastroenterology Nurses and Associates

Have questions about recertification or the exam; give ABCGN a call on their new toll free number: 1-855-252-2246 or 1-855-25-ABCGN.

This summer our website was given a facelift to make it more user friendly especially to mobile devices. The log on screen is now in the upper right corner once you get to msgna.org. To log in use the email address that you have registered with SGNA and your password in your last name. If you have any difficulty logging in, please contact me so I can reset your password. The webmaster has given me much more access so I can build accounts for new members. Electronic voting is here to stay and the voting process was made easier and yet a bit more difficult unfortunately. Thumbnail pictures of each candidate are loaded. After choosing one picture for each position open a button opens that says “cast ballot”. We had minor glitches that made it difficult to click the pictures. I am proud to say that all our glitches/bugs have been worked out. In our election process, it is still imperative that you vote even if there is only one candidate for each position. The number of members is compared to the number of ballots cast, to equal a percentage that is reported to National SGNA. Higher numbers can help us obtain special awards like Outstanding Regional. Our website allows for registration and payment to attend our conferences held in the Spring and Fall of each year. You log on in the same manner and click on the conference date you would like to register for. If you wish to register online and mail in a check, select that option. The address to send the payment to is listed there and on the actual brochure. If you wish to register online and pay using PayPal, select this option. You will be directed to the PayPal site to complete your purchase. You will receive a PayPal confirmation of payment receipt and a confirmation from MSGNA once you complete your registration. Please look at the links around our website for further information and networking opportunities.
