Dear New Member,

Welcome to the Michigan Society of Gastroenterology Nurses and Associates (MSGNA), an organization that has provided members with valuable services since 1981.

Members receive both the MSGNA and SGNA newsletters: "The Pathfinder" (MSGNA), "The SGNA News", as well as the "Gastroenterology Nursing Journal". All have valuable information on educational opportunities, the latest technologies, and updates in the GI field. The MSGNA website www.msgna.org and the SGNA website www.sgna.org offer additional information regarding the Michigan region, national trends, Standards of Practice, educational and networking opportunities, and available scholarships.

The MGNA sponsors two annual conferences and the SGNA has one national conference that provide members with the latest GI news and an excellent opportunity to network with colleagues. Members are eligible for reduced rates to all events.

Scholarships for tuition are available from both the local and national organizations. A poster contest is held annually, with the winners receiving the opportunity to take their poster to the SGNA National Course in May the following year.

***PLEASE NOTE:** Many hospital-based e-mail addresses will not accept or will not forward outside correspondences. It is imperative that the SGNA/MSGNA have your current personal e-mail address on file for you to receive communications, including on-line voting, educational courses, and registration. If you do not have a personal e-mail account, many free sources exist. Examples include hot mail.com or gmail.com.

The MSGNA has a close relationship with the American Board of Certification for Gastroenterology Nurses (ABCGN) and feels strongly that GI certification is an asset for GI nurses and encourages members to become certified.

Please feel free to contact any MSGNA Board of Directors if you need assistance.

Sincerely,

Patricia Yonkovit RN, CGRN

MSGNA President
